# PHILADELPHIA SECURITIES ASSOCIATION

EST. 1929

## About Us

The Philadelphia Securities Association (PSA) is a professional organization connecting Philadelphia's investment and securities community through high-quality educational programming and meaningful networking opportunities.

Founded in 1929, PSA brings together investment professionals across asset management, trading, research, investor relations, and financial services.

Our members collectively oversee more than \$7 billion in investable assets, representing a highly engaged and influential financial community.

Membership is limited to 400 professionals to preserve meaningful access, dialogue, and relationship-building.

## Luncheons

PSA hosts monthly luncheon meetings at premier restaurants throughout the Philadelphia area, featuring corporate leaders and industry experts.

### MEMBER BENEFITS

Informal networking before and after each event

### PROFESSIONAL TEAM

Direct access to senior executives and presenters

### INDUSTRY INSIGHT

Engaging presentations followed by live Q&A.

PSA hosts 20–30 corporate presentations annually, with most events held during lunchtime and select events after business hours.

## Special Events

### ***Included with Membership***

In addition to monthly luncheons, PSA hosts exclusive social and networking events designed to strengthen professional relationships across the investment community.

### **Annual Dinner & Elections**

Held each fall, this signature event brings members together for networking, leadership updates, and community connection.
